privileged and confidential

hi guys,

we're doing a sweep of the videos to take out any copyright violations on videos that are less than 2 minutes long (till now, the policy was that anything less than 2 min was left in).

i've attached a list of the initial terms we'll be searching over to find any copyrighted content to remove. pls email back additional names of shows/terms you think we should include in our sweep.

thanks.

jcf
